

GREAT ACCOMPLISHMENTS AT

Stirling

Sotheby's
INTERNATIONAL REALTY

November 2011

“ I am proud to announce that Teresa Parker, Judy Werth, Sally Taylor, Emily White and Madeline Wilson have all been named a **5-Star Professional** in a recent poll conducted by Orlando Magazine. Fewer than 7% of Central Florida’s licensed realtors were named to the the poll. The 5-Star Real Estate Agent Program is designed to identify and showcase real estate agents in overall satisfaction. The agents are evaluated by their customers based on characteristics such as customer service, integrity and marketing knowledge. This indeed is a Great Accomplishment. Congratulations to our Stirling winners!”
